The only thing I saw was your message saying that Deb was doing it. I haven't seen anything else. Suzanne, I've attached the word versions of the HI and WARS for you to copy and paste from. Let me know if you need anything else.

Missy, did Suzanne connect with you on the Weekly report?
Deb is at the Fed Center for the rest of the day and Suzanne said she would do the Weekly.

Deb – here are the Word versions. I need to double check spelling before I send it out, but wanted to make sure you got it before I went into my OCPI weekly meeting.
